Curriculum

It is our belief that God created children to learn through play. Lakeside Preschool offers a wide variety of age- appropriate learning activities. Through art, music, dramatic play, outdoor play, block play, science and nature activities, language and math arts, our teachers create an interesting and engaging learning environment. Curriculums we utilize at Lakeside include Learning Without Tears, Playing Preschool, and WEE Learn. In addition, three and four year old classes, attend Heggerty phonemic awareness class. The Jesus Storybook Bible is used in all classrooms. All ages are taught the Word of God in the simple language a young child can understand. In conjunction with the Children's Ministry Team of Lakeside Presbyterian Church, Preschool classes attend a time of praise and worship in the church sanctuary referred to as God Squad. God Squad meets on Wednesday and Friday mornings at 9 am and parents are always welcome and encouraged to join their children.
